Getting Started

- Getting started is quick and easy. Simply create your Mylsuzu account online to begin managing your vehicle.
- Set your password, log in securely, and start accessing your vehicle information, service bookings, and more all in one place.

Dealer Support

The Mylsuzu Portal is a powerful, all-in-one platform designed to connect dealerships with their customers and vehicles –delivering a smarter, more efficient ownership experience.

It enables customers to easily access vehicle information, book services, manage fleets, and stay up to date with important notifications, all in one place.

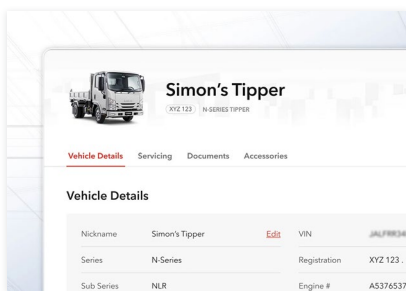

Mylsuzu enhances customer engagement by streamlining service interactions, improving visibility of vehicle activity, and supporting ongoing customer relationships through timely alerts and reminders.

From service bookings to warranty tracking and support access, the platform helps drive efficiency, retention, and customer satisfaction across the entire ownership journey.

Mylsuzu simplifies day-to-day vehicle management, helping reduce downtime, improve maintenance tracking, and ensure you stay informed about your vehicle.

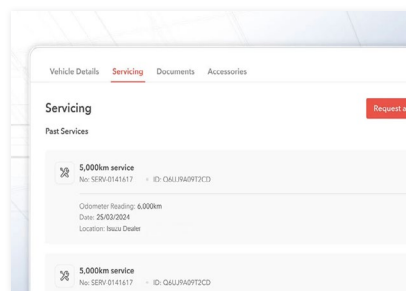

Discover Features

Mylsuzu helps put everything in one place. It's your digital home for keeping Isuzu trucks at their best.

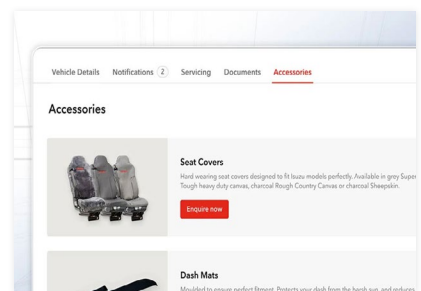

Vehicle Information

View detailed information about your Isuzu anytime, including specifications, owner's manual, dealer scheduled servicing history, recall alerts and warranty coverage.

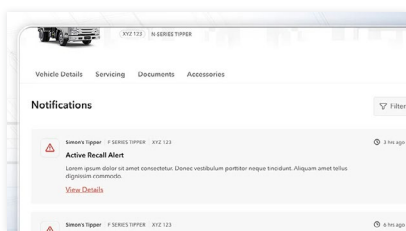

Service booking

Book services online at your convenience, find your nearest authorised Isuzu service centre, and view past scheduled service history.

Accessories

Browse Genuine Accessories to help customise your Isuzu Truck. All accessories are designed and tested specifically for Isuzu Trucks.

Notifications and reminders

Stay updated with service alerts, recall notices, and other important reminders, so you're always informed and in control of your ownership experience.

FAQ

You'll find everything you need to know about Mylsuzu below. Still got a question? Chat to our team and they'll get it answered.

Documentation and support
